

KIWALITE

Engineer Grade #2600 series

The Engineer Grade #2600 series offers state of the art glass bead technology retro-reflective sheeting with superb functionality, durability, and workability.

■ Details

Compared to conventional Engineer Grade, this product delivers a wider observation angle and entrance angle for superb retro-reflectivity. It can also be used in inkjet printing (solvent-based ink) for a more diverse range of applications than ever before. The back surface is treated with pressure-sensitive adhesive, making it easy to apply to aluminum substrate, etc.

■ Application

Automobiles, billboards, safety applications, signage, construction materials

■ Product size

1240mm × 45.7m

■ Color

White #2613	Yellow #2643	Orange #2653	Red #2663	Green #2673	Blue #2683

Please note that accurate display may not be possible depending on the environment, and that it may not be possible to print some items or colors.
