KIWALITE

Promotional Grade #19500 series

The Promotional Grade #19500 series is enclosed reflective sheeting with a tough, transparent plastic film surface that incorporates high refractive index micro glass beads in resin, offering superb value for your budget.

■ Details

This product results in excellent nighttime signage visibility for outdoor safety items, construction signs, stickers, etc. A variety of different finishes can be achieved by layering different colored reflective sheeting or combining with printed or transparent colored film. The back surface is treated with pressure-sensitive adhesive, making it easy to apply to aluminum substrate, etc.

■ Application Automobiles, billboards, safety applications,

construction materials

■ Product size 1240mm × 45.7m

920mm × 45.7m
