

KIWALITE

Safety Grade #9000 series

The Safety Grade #9000 series is enclosed reflective sheeting that contains high refractive index micro glass beads in a highly transparent resin, offering excellent workability and value for your budget.

■ Details

This product results in excellent nighttime signage visibility for outdoor safety items, construction signs, stickers, etc. A variety of different finishes can be achieved by layering different colored reflective sheeting or combining with printed or transparent colored film. The back surface is treated with pressure-sensitive adhesive, making it easy to apply to aluminum substrate, etc.

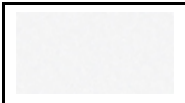

■ Application

Automobiles, billboards, safety applications,
construction materials

■ Product size

1240mm × 45.7m

■ Color

White #9013	Lemon yellow #9033	Yellow #9043	Orange #9053	Red #9063	Green #9073
					

Blue #9083	Black #9093	Light green #9173	Water blue #9183	Sky blue #9283
				

Please note that accurate display may not be possible depending on the environment,
and that it may not be possible to print some items or colors.
