

# KIWALITE

## Zebra Tape

Zebra Tape is enclosed reflective sheeting with a tough, transparent plastic film surface that incorporates high refractive index micro glass beads in resin for superb visibility both day and night.

### ■ Details

This product reflects light and can easily be used in any type of situation for calling attention to certain spots in parking lots, factories, warehouses, etc., and for marking dangerous locations where cars could easily collide with objects. The back of the tape is treated with pressure-sensitive adhesive, making it easy to apply to aluminum base materials, etc.
