

Reflective sheeting for license plate

Super wide-angle reflective sheeting for license plate is a product which is realizing retro-reflection at wide entrance angle.

■ Details

This reflective sheeting has excellent reflectivity at a wider entrance angle than conventional reflective license plate, so you can recognize the license plate from 1.5 times wider angle than before. It also has excellent embossing characteristics. We also have a product of conventional (not wide-angle) reflective sheeting.

■ Application license plate
